11 Resolutions for Developed India

Why in News?

Recently, the Prime Minister proposed 11 resolutions (Sankalp) in the Lok Sabha, marking the Glorious Journey of 75 Years of the Constitution of India and to achieve Viksit Bharat (Developed India) by 2047.

- **Fulfillment of duties (Kartavyon ka paalan)** – Every citizen and government must responsibly fulfill their duties to contribute to nation-building.
- **Inclusive development (Sabka saath sabka vikas)** – Ensuring development reaches every sector, guided by the principle of Sabka Saath, Sabka Vikas.
- **Zero tolerance for corruption** – Adopt a strict stance against corruption at all levels.
- **Respect for the Rule of law** – Promote pride in adhering to and upholding the country's law and traditions.
- **Freedom from colonial hangover** – Freedom from slave mentality and to take pride in India's culture and heritage
- **End to dynastic politics** – Liberate Indian politics from parivaar-vaad (dynastic politics).
- **Respect for the Constitution (Samvidhaan ka samman)** – Uphold the constitution without exploiting it for the political purposes.
- **Protection of reservations** – Safeguard existing reservations while rejecting religion-based quotas.
- **Women-led development** – Position India as a global leader in development initiatives.
- **State-centric Growth (Rajya ke vikas se Rashtra ka vikas)** – Align the nation's development with the progress of states to achieve balanced growth.
- **Ek Bharat, Shreshtha Bharat** – Enhance interaction & promote mutual understanding between people of different states/UTs through the concept of state/UT pairing.
