

DISHA Scheme - Designing Innovative Solutions for Holistic Access to Justice

Prelims: Current events of national and international importance | Indian Polity and Governance

Why in News?

Recently, Chennai Hosts Regional Tele-Law Workshop under DISHA Scheme.

- **Aim** - The DISHA scheme integrates multiple legal aid initiatives especially for ***marginalized and rural communities***.
- It fulfils the constitutional mandate of *Equal Justice and Free Legal Aid* through digital platforms and grassroots legal services.
- **Type of Scheme** - Central Sector Scheme (100% funded by the Union Government).
- **Launched in** - April 2021.
- **Duration** - 2021-2026.
- **Nodal Ministry** - Ministry of Law and Justice
- **Implementing Agency** - Department of Justice
- **Relevant constitutional provisions - Article 39A** (equal justice and free legal aid).
- **Article 14** (Equality Before Law and equal protection of the laws).
- **Article 21** (Fundamental right to life and personal liberty).
- **Coverage - Pan-India** coverage across all States and Union Territories.
- **Objectives** - Deliver citizen-centric legal services through a unified framework.
- Promote technology-enabled justice delivery.
- Improve legal literacy and awareness.
- Provide pre-litigation legal support to reduce court burden.

Key Components

- **Tele-Law Programme** - Provides free pre-litigation **legal advice** via panel lawyers.
- Accessible through Common Service Centres (CSCs) or the Tele-Law app

and a Toll-free helpline.

- **Nyaya Bandhu Programme** - Connects volunteer advocates with eligible beneficiaries for **free legal representation**.
- Pro Bono Clubs established in 109 law colleges.
- **e-Courts Mission Mode Project (Case Tracking)** - aims to digitise and modernise the judiciary using Information and Communication Technology.
- Phase III (2023-2027) - Focus on paperless courts and digital case management.
- **Digital Courts 2.1 system** - AI-based tools like **LegRAA and SUPACE** for legal research and case analysis.
- Virtual courts for cases such as *traffic challans*.

India's first fully paperless district court was inaugurated in Kalpetta, Wayanad (Kerala) in January 2026.

- **Nyaya Sahayaks** - Introduced in 2024, to provide door-to-door legal service, linking citizens to legal aid platforms.
