

Government e-Marketplace

Prelims (GS - I) - Public Policy.

Mains (GS III) - Economic Development and Inclusive Growth.

Why in the news?

Government e-Marketplace (GeM) aims to boost start-up participation through upcoming events like Startup Mahakumbh 2025

- It is India's *public procurement portal* for purchasing goods and services by central and state government ministries, Departments, Public Sector Units (PSUs), and affiliated entities.
- Launched in 2016
- Aim To make the public procurement process transparent, efficient, and inclusive.
- **Developed by** Directorate General of Supplies and Disposals (DGS&D) in collaboration with MeitY (Ministry of Electronics and Information Technology) and National e-Governance Division (NeGD).
- GeM is now managed by *GeM SPV (Special Purpose Vehicle)*, a 100% government-owned company under the *Ministry of Commerce & Industry*.
- Three Pillars of GeM
 - **Efficiency -** Ensures cost and time savings
 - AI-driven procurement reduces process time.
 - **Transparency -** Digital footprint ensures no manipulation in transactions.
 - AI tools prevent fraudulent activities.
 - **Inclusion -** Focus on women-led MSMEs, artisans, Farmer Producer Organizations (FPOs).
 - 50% of businesses on GeM come from MSMEs.

Advantages of GeM

- **Centralized Platform** Unified portal for government buyers & suppliers.
- **Policy Reforms** Modernized regulations ensure compliance & efficiency.
- **MSME Boost** Supports small businesses & startups in government contracts.
- **Automation & Transparency** Tech-driven system reduces delays & enhances accountability.

Achievements

- Business transactions increased from its first year to 2024.
- Contributed to major government projects, including India's lunar mission (Chandrayaan 3).
