

## Highlights of Union Budget 2018

### Why in news?

\n\n

Union Finance Minister presented the annual budget in the Parliament.

\n\n

### What are the highlights?

\n\n

\n

- **Fiscal Prudence** - Under the new GST regime, the last date for filing of GST returns remains the 20th of the succeeding month.

\n

- This is expected to have a significant impact on balance sheets as indirect tax receipts will be only for 11 months (excluding the receipts for March).

\n

- Also, Rs 21.57 lakh crores were transferred in the form of net GST to finance the shortfalls of states against the predicted Rs 21.47 lakh.

\n

- Considering the upended government spending and the above mentioned fiscal constraints, the government wasn't able to meet its fiscal target of 3.2%.

\n

- Notably, the 2018-19 target has been set at 3.3% of GDP and the actual fiscal deficit for 2017-18 was calculated to be "Rs 5.95 lakh crore or 3.5% of GDP".

\n

- **Agriculture** - The government's resolve to double farmers' income, and increase production was reasserted.

\n

- In a major relief to farmers, minimum support price (MSP) for all upcoming Kharif crops has been raised to 1.5 times the cost of production.

\n

- "Agricultural Market and Infra Fund" with a corpus of Rs 2,000 crore will be created for 22,000 gramian agricultural markets and 585 APMCs.

\n

- Also, Rs 11 lakh crore credit for the farm sector has been proposed and allocation for Food Processing Ministry has been doubled.

- \n
- A restructured “National Bamboo Mission” with corpus of Rs 1,290 crore to boost bamboo cultivation has been provided for.
- \n
- Emphasis has been given to organic farming and export of agri commodities has been liberalised to meet India’s agri exports potential of \$100 billion.
- \n
