

National Crime Records Bureau Report

Why in news?

 $n\n$

The National Crime Records Bureau has released its latest report on the data for the year 2016.

 $n\n$

What are the highlights?

 $n\n$

\n

• Children - There is an <u>overall increase in crimes against children</u>.

\n

• The <u>all-India rate</u> for crimes against children stood at 24.

• The *rate of crimes* against children was the highest in <u>Delhi</u>, followed by Chhattisgarh and Madhya Pradesh.

۱'n

• Among cities, <u>Delhi and Mumbai</u> accounted for a major chunk of the offences against children.

\n

- Particularly, the year 2016 has registered a sharp spike (of nearly 80% compared to 2015) in cases of rape against children.
- \bullet The highest rise in numbers has been registered in $\underline{\text{Uttar Pradesh}}$ where the figures have tripled.

\n

• Notably, this is for the first time that such a sharp increase in sexual assaults on children has been registered.

\n

- The most numbers of rape cases under IPC and POCSO were reported in Maharashtra, Odisha, MP, UP, and Tamil Nadu; the latter three have registered very high increases compared to last year.
- **Women** The year 2016 has registered <u>an overall rise of about 3%</u> in crimes against women.

\n

- Strikingly, incidents of <u>rape against women</u> have risen far more sharply than other crimes against women, recording a rise of about <u>12%</u>.
- The highest number of rapes has been reported from MP, UP and Maharashtra.

\n

- The majority of cases categorised as crimes against women were reported under 'Cruelty by husband or his relatives'.
- <u>West Bengal, Rajasthan and UP</u> have reported the highest number of incidents of 'cruelty by husband'.
- Other crimes include Assault on woman with intent to outrage her modesty, Kidnapping and abduction, Rape, Voyeurism, Stalking, etc.
- \bullet In terms of rate of crime against women $\underline{\text{Delhi}}$ reported the highest compared to the national average rate. \n
- It is followed by Assam, Odisha, Telangana and Rajasthan.
- <u>Among cities</u>, <u>Delhi</u> topped the charts again, followed by Lucknow, Jaipur, Patna and newly, Nagpur.
- **Dalits** Data on crimes against Dalits draws a distinct pattern of <u>similarity</u> <u>between rural and urban spaces</u>.
- \bullet This breaks the prevalent notion of blurring caste lines in urban spaces.
- City-wise data on atrocities against Dalits shows that a major chunk of crimes against Dalits involves the <u>violation of women</u>.
- <u>Uttar Pradesh</u> has recorded the highest number of crimes against women among dalits.
- \bullet It was highlighted that crimes against Dalits were not solely registered under sections of the SC/ST (Prevention of Atrocities) Act. $\mbox{\ensuremath{\backslash}} n$
- Cases are categorised and registered under the usual Indian Penal Code, denying the rights offered under exclusive legal mechanisms.
- Coimbatore (TN), Kolkata and Chennai have witnessed the <u>least number of cases</u> of caste atrocities in 2016.
- Kanpur, Ahmedabad, Ghaziabad were, however, in the top ten cities where

the $\underline{\text{maximum number of caste atrocities}}$ were registered.

۱n

• <u>Lucknow</u> has witnessed a <u>fourfold increase</u> in instances of crimes against Dalits since 2014.

Quick Facts

 $n\n$

NCRB

 $n\$

\n

• National Crime Records Bureau is an attached office of the <u>Ministry of Home</u> Affairs.

\n

- It was established in 1986 with a mandate to empower Indian Police with information technology solutions and <u>criminal intelligence</u>.
 - ۱n
- \bullet It must be noted that the NCRB figures merely reflect the number of $\underline{\text{crimes}}$ registered by the police.

\n

• These may or may not reflect the actual situation on the ground as generally well-policed states have a high crime rate as the police ensures the registry of all cases.

\n

 $n\n$

Rate of crime

 $n\n$

\n

 \bullet It calculates incidents per one lakh people of the population.

۱n

• Thus it is a better determinant for the prevalence of a crime in a particular region.
