

## **National Sample Survey (NSS)**

**Prelims : Current events of National and International Importance** 

## Why in News?

Recently, 19<sup>th</sup> Statistics day was celebrated to commemorate 132<sup>nd</sup> Birth Anniversary of Prof. P. C. Mahalanobis with the theme '75 Years of National Sample Survey'.

**National Statistics Day** is celebrated on June 29<sup>th</sup> every year in India.

- Established in 1950, by the Ministry of Statistics & Programme Implementation.
- It was inspired by the vision of P.C. Mahalanobis
- **Objectives** To provide reliable, timely, and comparable socio-economic statistics through sample surveys.
- 4 divisions
  - Survey Design and Research Division (SDRD)
  - Field Operations Division (FOD)
  - Data Processing Division (DPD)
  - Survey Coordination Division (SCD)
- **Headed by** A Director General, who is responsible for conduct of large scale sample surveys in diverse fields on All India basis.
- Data collection They are collected through <u>nation-wide household</u> <u>surveys</u> on various socio-economic subjects, Annual Survey of Industries (ASI), etc.
- It also collects *data on rural and urban prices*.
- **Significance** It plays a significant role in the *improvement of crop statistics* through supervision of the area enumeration and crop estimation surveys of the State agencies.
- It also maintains a frame of urban area units for use in sample surveys in urban areas.

**Recent launches of NSS** 

<u>e-Sankhyiki Portal</u> - It was launched on National Statistics Day 2024.
It is designed to create a comprehensive system for managing and sharing data, facilitating the easy dissemination of official statistics across the country.

• **GoIStat mobile App** – It was launched to enhance the ease of access of official statistical data.

• It represents NSO's vision of creating an inclusive data ecosystem where every stakeholder can seamlessly access official data.

## Prasanta Chandra Mahalanobis (1893-1972)

- Contribution He played a key role in establishing the
  - National Sample Survey
  - Central Statistical Organization
- These institutions continue to shape India's statistical landscape.
- His influence on India's Planning Commission, particularly the <u>2nd Five-</u> <u>Year Plan (1956-1961)</u>, was significant.
- He served as the <u>chairman of the United Nations Sub-Commission on</u> <u>Sampling</u> from 1947 to 1951.
