which deliberately disrupt the global supply and production chains and distort competition.

- **Ensure efficient trading system** - They voiced support for a *fair, inclusive, and rules-based global trading system* centered on the World Trade Organization (WTO).
- They emphasized the importance of special treatment for developing countries, including Least Developed Countries, as a fundamental principle of the WTO.
- **Promote Local currency** - They underscored the importance of the enhanced use of local currencies *in trade and financial transactions* between the BRICS countries.
- **Showing respect for international laws** - They were committed to *promote multilateralism, upholding international law, and the UN Charter*.
- They emphasized the UN's central role in fostering cooperation among sovereign states to maintain peace, advance sustainable development, and protect democracy, human rights, and fundamental freedoms.

Elaborate the importance of BRICS?

Significance for the world

- **New world order** - It aims to assert their position particularly in relation to the United States and the European Union.
- **Multipolar global order** - It promotes *the recognition of a multipolar global order* with economic and political balance.
 - It aims to break away from organisations formed in the post-World War II era, such as the World Bank and the International Monetary Fund.
- **De-dollarization** - BRICS account for 18% of the world trade, supports the *increased use of members' national currencies* for trade and the introduction of a common payment system in the long term.
- **Global South** - It helps in representation from *voices of the 'Global South'*, a term used to refer to countries that have not traditionally been at the centre of international agenda-setting.
- **Economic rise** - In recent decades, India and China witness economic rise.
- **Financial structure** - *New Development Bank (NDB)*, the Shanghai-headquartered bank has since *invested \$30 billion* in infrastructure development projects.

Significance for India

- **Multi-alignment** - It is an issue-based alignment strategy, which aims to simultaneously participate and pursue its interests in multiple strategic and economic coalitions, such as the Quad and BRICS.
- **Reflect multidirectional foreign policy** - It strengthens economic prosperity, technology advancements, research and innovation, norm influencing, and strengthening security.
- **Diplomacy** - It allows India to pursue *a development focused diplomatic engagement* which aims at increasing the membership of BRICS.
- **Broader agenda** - Energy security, combating terrorism and climate change financing
- **Geopolitical force** - BRICS attempts to amplify non-traditional security threats and promote economic security within the forum.
- **Political push** - It would be a political push against unfair coercive practices:
 - European Union's Carbon border tax
 - Economic transaction
 - Unilateral sanction
