Why in News?

Recently, the Government launched the Pradhan Mantri Rahat Road Accident Victim Hospitalisation and Assured Treatment (PM Rahat) Scheme.

- It is **a national cashless treatment scheme for road accident victims** to ensure immediate medical care during the Golden Hour.
- **Aim** - To prevent deaths due to delayed medical treatment after road accidents and ensure financial protection for victims and hospitals.
- **Launched in** - 2026.
- **Nodal Ministry** - **Ministry of Road Transport and Highways**.
- **Implemented by** - Through the integrated,
 - Electronic Detailed Accident Report (eDAR) platform of the Ministry of Road Transport
 - Highways with the Transaction Management System (TMS 2.0) of the National Health Authority.
- **Components - Emergency Response** - Integration with Emergency Response Support System (112 helpline) for hospital and ambulance coordination.
- **Digital Processing** - Digital accident reporting, police authentication, and claim processing through eDAR and TMS 2.0.
- **Funding Mechanism** - Reimbursement through the Motor Vehicle Accident Fund.
- **Insurance-Based Payment** - Payments from General Insurance Companies in insured vehicle cases.
- **Government Funding** - Budgetary allocation for uninsured and hit-and-run cases.
- **Fast Claim Settlement** - Approved claims are paid within 10 days to ensure uninterrupted hospital treatment.
- **Grievance Redressal** - Complaints of road accident victims handled by a Grievance Redressal Officer (GRO).
 - GRO nominated by the District Road Safety Committee, chaired by the District Collector/District Magistrate/Deputy Commissioner.
- **Coverage** - Road accident victims in any category. within 7 days of the accident (police authentication required).
- **Target** - Cashless treatment up to ₹1.5 lakh per victim for 7 days.
- **Stabilisation treatment** -
 - Up to 24 hours for non-life-threatening cases.
 - Up to 48 hours for life-threatening cases.

- **Significance** - Ensures life-saving treatment during the Golden Hour.
 - **Nearly 50% of road accident deaths can be averted if victims are admitted to the hospital within the first hour.**
- Reduces preventable road accident deaths.
- Strengthens India's emergency healthcare and road safety ecosystem.
- Promotes citizen-centric governance and financial protection.
