Exercise Aviaindra-18

\n\n

\n

- It is an Air Force level exercise between India and Russian Federation.

\n

- It is a bi-annual exercise.

\n

- First Aviaindra was conducted in the year 2014.

\n

- Exercise Aviaindra 2018 is being conducted at Lipetsk, Russia and Jodhpur, India.

\n

- The exercise is focused towards anti-terrorist operations in a bi-lateral scenario.

\n

\n\n

Air Services Agreement

\n\n

\n

- Air services agreements are signed bilaterally to improve seamless air connectivity between two sovereign nations.

\n

- Union cabinet has recently approved the revised air services agreement between India and Morocco.

\n

- Under the agreement, both countries designate one of more airlines.

\n

- These designated airlines of either country

\n

\n\n

\n

- i. Have the right to establish offices in the territory of the other country for the promotion and sale of air services.

\n

- ii. Can enter into cooperative marketing arrangements with the designated carriers of same party, other party and third country.
\n
- iii. Can operate any number of services to/from the six points specified in the Route Schedule to the agreement.
\n

\n\n

\n

- These developments will enable the people of each country to travel to the other country leading to better economic and cultural ties.

Dam Rehabilitation Improvement Project (DRIP)

\n\n

\n

- Dam Rehabilitation Improvement Project (DRIP) was commenced in the year 2012 as a 6-year project.
\n
- Later, Union Ministry of Water Resources, River Development and Ganga Rejuvenation extended the project period with a revised closure date by June, 2020.
\n
- Cabinet Committee on Economic Affairs has recently approved the revised cost estimate of DRIP.
\n
- The project aims to improve safety and operational performance of 198 Dams, along with strengthening of institutions.
\n
- The funds for this project will be shared by World Bank, State Implementing agencies and Central Water Commission.
\n
- The primary beneficiaries are communities dependent on reservoir and downstream communities, who are prone to risk associated with dam failure or operational failure.
\n
- It also focusses on capacity building of staff for effectiveness of Dam Safety Organisation to make dams safe from structural and operational point of view.
\n
- Reservoirs in the state of kerala managed by water resources department and state electricity department will get funded under the DRIP programme

to the tune of Rs. 514 crore.

International Criminal Court

\n\n

\n

- ICC is an intergovernmental organization and international tribunal headquartered in The Hague in the Netherlands.

\n

- ICC has the jurisdiction to prosecute individuals for the international crimes of genocide, crimes against humanity, crime of aggression and war crimes.

\n

- ICC is the world's first permanent international criminal court.

\n

- States which become party to the Rome Statute becomes member of ICC, thus totalling 123 members.

\n

- The co-operation of the non-party states with the ICC is of voluntary nature.

\n

- But when a case is referred to the ICC by the UN Security Council all UN member states are obliged to cooperate, since its decisions are binding for all of them.

\n

- India is not a signatory to the Rome Statute.

\n

- **Recent Developments** - ICC has recently opened preliminary probe into Myanmar crimes against Rohingya muslims.

\n

- ICC judges has previously ruled that though Myanmar has not signed up to the Hague-based ICC, the court still has jurisdiction over crimes against the Rohingya because Bangladesh is a member.

\n

- A preliminary examination can lead to a formal investigation by the ICC.

\n

- The UN fact-finding mission also repeated suggestions that crimes against the Rohingya be referred to the ICC.
