Channar Revolt

 $n\n$

۱n

• Kerala Chief Minister has recently recalled an iconic civil rights protest – Channar revolt.

\n

ullet It was happened in the erstwhile princely state of Travancore in the early 19^{th} century.

\n

• It is also referred to as Marumarakkal Samaram - Protest to cover the upper

body.

۱n

• It began when women from the Channar caste who had converted to Christianity sought to cover the breasts, a right only Hindu upper caste women were allowed to exercise.

\n

• The diwan of Travancore state, Colonel Munro, issued an order favouring the demand.

\n

- The upper castes (Nairs) refused to allow the order to be followed and attacked (Nadar Christian) women who sought to wear an upper garment.
- In the face of resistance from the upper castes, the order was even amended to say that Nadar Christian women could wear a jacket (blouse) that was different from the dress worn by Nair women.
- The revolt exposed the caste fault-line that ran deep in the kingdom of Travancore.
