Autonomous Council

 $n\n$

\n

- The Union Cabinet has approved the constitutional amendment which seeks to increase the powers of the autonomous council recently.
- The amendment to Article 280 and Sixth Schedule of the Constitution has been approved.
- It will significantly improve the financial resources and powers of the autonomous districts councils in **Assam**, **Meghalaya**, **Mizoram and Tripura**, fulfilling longstanding aspirations of the tribal population in these Northeastern states.

\n

• At least 1/3rd of the seats will be reserved for women in the village and municipal councils in the Sixth Schedule areas of Assam, Mizoram and Tripura.

\n

• At least two of the nominated members in all autonomous councils in the North East Sixth Schedule areas will also be reserved for women resulting in empowerment of women.

\n

• There will be State Election Commissions for holding elections to the autonomous councils, village and municipal councils in the areas of Assam, Mizoram and Tripura.

\n

• There will be a provision for anti-defection too.

 Meghalaya has for the time being kept out of the purview of the provision for elected village and municipal councils and one-third reservations for women.

UDAN

 $n\n$

۱n

- The union Minister for Civil Aviation and Commerce announced the results of Phase 3 bidders under Ude Desh Ka Aam Naagrik (UDAN) Scheme
- UDAN is an innovative scheme to develop the regional aviation market. It is a market-based mechanism in which airlines bid for seat subsidies.
- This first-of-its-kind scheme globally will create affordable yet economically viable and profitable flights on regional routes so that flying becomes affordable to the common man.

\n

- It envisages providing connectivity to un-served and under-served airports of the country through revival of existing air-strips and airports.
- The operators could seek a Viability Gap Funding (VGF) apart from getting various concessions.

\n

 \bullet The scheme also provides for various benefits including no airport charges and three-year exclusivity on the routes. $\mbox{\sc h}$

• The States have a key role under the scheme. The selection of airports where

UDAN would start would be done in consultation with State Government and after confirmation of their concessions.

۱n

 \bullet The UDAN is likely to a give a major fillip to tourism and employment generation in the hinterland. $\mbox{\sc h}$

CORSIA

 $n\n$

۱n

• Carbon Offsetting and Reduction Scheme for International Aviation (CORISA) is a global scheme to address the increase in total CO2 emissions from international aviation above 2020 levels.

۱n

- The aviation industry is committed to technology, operational and infrastructure advances to continue to reduce the sector's carbon emissions.
- On average (2021-2035), flights subject to CORSIA's offsetting requirements will account for over 600 million tons of CO2 per year.
- This makes CORSIA one of the largest carbon pricing instruments in the world in terms of greenhouse gas emissions coverage.

 $n\n$

\n

 \bullet CORISA is expected to complement other planned measures such as: $\ensuremath{^{\text{\sc Nn}}}$

 $n\n$

\n

1. aircraft technology evolution

۱r

2. operational improvements

۱n

3. the greater use of sustainable aviation fuels.

 $n\$

\n

• On 2018, International Civil Aviation Organization adopted the international Standards and Recommended Practices (SARPs) for CORSIA.

\n

 \bullet The adoption of global standards for CORSIA will ensure the necessary level of uniformity in regulations which our industry needs. $\mbox{\sc h}$
