### **West Bengal to Bangla**

\n\n

\n

- The West Bengal Assembly recently passed a resolution to change the name of the State as 'Bangla' in three languages - Bengali, English and Hindi.

\n

- The proposal has been pending since August 2016, But the Centre rejected the proposal of having 3 names in 3 different languages.

\n

- Upon the fresh proposal to Union Home ministry by state, the ministry will prepare a note for the union cabinet for an amendment to the Schedule 1 of the Constitution.

\n

- Thereafter, a Constitution Amendment Bill will be introduced in Parliament, which has to approve it with a simple majority, before the President gives his assent to it,

\n

- According to the Indian Constitution, the power of changing the name of the State lies with the Centre.

\n

- The Article 3 of the Constitution deals with the formation of new States and alteration of areas, boundaries or names of existing States.

\n

- It says that Parliament may by law,

\n

\n\n

\n

1. form a new State by separation of territory from any State or by uniting two or more States or parts of States or by uniting any territory to a part of any State;

\n

## **UPI**

\n\n

- \n
- SEBI has recently proposed allowing investors to use the Unified Payments Interface (UPI) while bidding for shares in initial public offerings.
- \n
- UPI is a payment system through which investors can link more than one bank account in their smartphone app and make fund transfers instantly without having to provide IFSC code or account number.
- \n
- An investor will only have to use a virtual address, known as a Virtual Payment Address (VPA), which is like email ID, to carry out the transaction.
- \n
- VPA is an identifier that is created by the user by linking his bank account to the mobile payment application.
- \n
- UPI, which was developed by the National Payments Corporation of India (NPCI), is regulated by the RBI.
- \n
- Some of the UPI apps available are BHIM, PhonePe and Google Tez.
