# **Minor Minerals to Major Minerals**

Ministry of Mines moved 4 minerals from minor to major status.

- Major minerals Barytes, Felspar, Mica, and Quartz.
- Quartz Common mineral in Earth's crust.
  - Found in all forms of rock.
  - Used in clocks and watches.
- Feldspar Aluminosilicate minerals containing calcium, sodium, or potassium.
  - Comprises more than half of Earth's crust.
  - Used in glassmaking, ceramics, construction, and manufacturing.
- Mica Group of minerals that are light, soft, and flexible.
  - Used in cosmetics, medicine, and electronics.
- Barytes Naturally occurring mineral made of barium sulfate (BaSO4).
  - Used in paint, rubber, and concrete.
- Quartz, Felspar & Mica Found in pegmatite rocks
  - Important source of many critical minerals.

#### **Baryte**

- Baryte It is a mineral consisting of *barium sulfate* and generally white or colorless.
- Occurrence Vein fillings in limestone and dolostone.
- **Iron ore** Pocket type of deposit which <u>can't be mined in isolation</u>.
- **Iron ore of** Antimony, Cobalt, Copper, Lead, Manganese and Silver.
- **Usage** Oil and gas drilling, electronics, TV screens, rubber, glass, ceramics, paint, radiation shielding and medical applications.

#### Science

#### **Euclid Space Mission**

- Launched in 2023.
- **Developed by** European Space Agency and Euclid Consortium (includes NASA).
- **Part of** ESA's Cosmic Vision programme.
- **Purpose** To explore the composition and evolution of the dark universe.
- **Euclid Space Telescope** It creates a 3D-map of the universe by observing billions of galaxies out to <u>10 billion light-years</u>.

#### Research Lab for AI in Eye Care

- **Established by** Zeiss India (Optics and optoelectronics technology company) and Indian Institute of Science (IISc).
- Established in IISc, Bengaluru.
- Aim To drive advancements in eyecare solutions and enable researchers at IISc.
- **Objective** To explore the technology's potential in facilitating early diagnosis, treatment personalization, and accessibility in *ophthalmology*.

#### Index

# **Purchasing Managers' Index (PMI)**

- <u>PMI</u> It is an economic indicator, which is derived after monthly surveys of different companies.
- **Released by** Institute for Supply Management (ISM), a non-profit supply management organization on *monthly basis*.
