

Year End Review 2018 - Department of Empowerment of Persons with Disabilities (DEPwD)

What is the DEPwD for?

\n\n

\n

- A separate Department of Disability Affairs was carved out of the Ministry of Social justice & Empowerment in 2012.

\n

- The Department was renamed as Department of Empowerment of Persons with Disabilities in 2014.

\n

- The Department acts as a nodal agency for matters pertaining to disability and persons with disabilities.

\n

- It is primarily entrusted with the task of empowerment of person with disabilities (PwDs) to build an inclusive society.

\n

- It works to ensure equal opportunities for their growth and development to lead productive, safe and dignified life.

\n

- Towards this end, the department undertakes the following measures -

\n

\n\n

\n

- i. Physical rehabilitation - includes early detection and intervention counselling, medical rehabilitation and assistance in procuring appropriate aids and appliances

\n

- ii. Educational rehabilitation including vocational education

\n

- iii. Economic rehabilitation and social empowerment

\n

- iv. Developing rehabilitation professionals/personnel

\n

- v. Improving internal efficiency/responsiveness/service delivery

\n

- vi. Advocating empowerment of PwDs through awareness generation among

different sections of the society

\n

\n\n

What are the key schemes and initiatives?

\n\n

\n

- **Assistance to Disabled Persons for Purchase/Fitting of Aids and Appliances (ADIP) Scheme** - More than 1400 ADIP Camps were organized and more than 2.4 lakh Divyangjan were provided Aids Assistive Devices in 2018.

\n

\n\n

\n

- A Mega Distribution Camp was organized at Gwalior for distribution of Aids & Assistive devices to the Divyangjan and Senior Citizens.

\n

- It was done through ALIMCO (Artificial Limbs Manufacturing Corporation of India), a CPSE under the Ministry.

\n

- **Accessible India Campaign (AIC)** - The aim is to create universal accessibility for Persons with Disabilities in Built Environment, Transport, and ICT ecosystem.

\n

- So far, Access Audit of more than 1600 buildings in 50 cities has been completed by the auditors.

\n

- Accessibility provisions have been made in airports, railway stations, public transport buses, public websites, etc.

\n

- 100 Accessible websites of various State Government/UTs were launched as part of Accessible India Campaign.

\n

- **Unique Disability Identification (UDID) Project** - The Department has the UDID project to create national database for PwDs.

\n

- This is to issue Unique Disability ID (UDID) Card along with disability certificate.

\n

- Once the project covers all persons with disabilities, UDID Card will be made mandatory for availing various government benefits.

\n

\n\n

What are the major activities/achievements over the year?

\n\n

- \n
 - 17-member Blind Cricket World Cup winning Indian Team was felicitated and presented with a cash award.
