

Daily Current Affairs Prelims Quiz 09-06-2025 (Online Prelims Test)

1) What is a "Total Diet Study (TDS)" and why is its absence a challenge for food safety in India?

- a. It is a study of food consumption patterns, and its absence makes it difficult to regulate food exports.
- b. It is a study to assess cumulative exposure to contaminants from all food sources, and its absence weakens scientific precision.
- c. It is a study of agricultural practices, and its absence hinders the development of organic farming.
- d. It is a study of consumer preferences, and its absence affects food product development.

Answer : b

Answer: b).

Explanation: The text explains, "No total diet study (TDS) - Without this, it's hard to assess cumulative exposure to contaminants from all food sources. Current reliance on fragmented data weakens scientific precision."

2) "Mother-tongue digital learning tools" primarily aims to:

- a. Promote regional languages over national ones.
- b. Limit exposure to global content.
- c. Bridge comprehension gaps and encourage deeper engagement
- d. Reduce the cost of digital education.

Answer : c

Answer: c

Explanation: "Technology enables learning in local languages, helping bridge comprehension gaps and encouraging deeper engagement."

3) Which of the following statements best describes ECOSOC's relationship with the UN General Assembly?

- a. ECOSOC is an independent body with no direct link to the General Assembly.
- b. ECOSOC is a subsidiary organ of the General Assembly.
- c. ECOSOC elects the members of the General Assembly.
- d. ECOSOC can overrule decisions made by the General Assembly.

Answer : b

Answer: b.

Explanation: ECOSOC operates under the authority of the General Assembly and assists it in its functions. Its members are elected by the General Assembly.

4. What does the Loan-to-Value (LTV) ratio primarily represent in the context of a loan?

- a. The borrower's credit score.
- b. The proportion of an asset's value that a lender is willing to finance.
- c. The total interest paid over the loan tenure.
- d. The borrower's monthly income.

Answer : b

Answer: b)

Explanation - LTV is a key financial metric used by lenders to assess the risk of a loan. It indicates the percentage of the collateral's value that the loan covers.

5) The new Flamingo Sanctuary is a vital stopover along which migratory bird flyway?

- a. East Asian-Australasian Flyway
- b. African-Eurasian Flyway
- c. Central Asian Flyway
- d. Atlantic Flyway

Answer : c

SHANKAR
IAS PARLIAMENT
Information is Empowering

Answer: c) Central Asian Flyway Explanation

"This newly declared sanctuary is a vital stopover along the Central Asian Flyway."
