

Daily Current Affairs Prelims Quiz 24-04-2026 (Online Prelims Test)

Q1. With reference to the Indian economy, the term "Project Economy" recently seen in the news refers to:

- An economy dominated by long-term manufacturing of consumer goods.
- A focus on temporary, goal-oriented initiatives that deliver infrastructure and social outcomes.
- A system where the government exclusively manages all construction activities
- An economic model based solely on the export of digital software services.

Answer : b

Correct Answer: B

- **Solution:** According to the text, the Project Economy is focused on temporary, goal-oriented initiatives (projects) that deliver infrastructure, technology, or social outcomes—directly shaping GDP growth and competitiveness.

Q2). what is the primary driver of India's construction digitization that distinguishes it from the Chinese model?

- Public Sector Undertakings (PSUs)
- Foreign Direct Investment (FDI)
- Startup-led bottom-up innovation
- Inter-governmental bilateral agreements

Answer : c

Correct Answer: C

- **Solution:** Unlike China's state-driven (top-down) model, India's digitisation is led by **startups** building a digital backbone from the bottom up.

Q3. The theme for World Earth Day 2026 is:

- Invest in Our Planet
- Planet vs. Plastics
- Our Power, Our Planet
- Restore Our Earth

Answer : c

Correct Answer: C

- **Solution:** The 2026 theme is explicitly stated as “**Our Power, Our Planet.**”

Q4. With reference to the "Women Empowerment" component of the PM VIKAS scheme, what is the role of 'Biz Sakhis'?

- a. Providing legal aid to minority women.
- b. Actively participating in the documentation of Intangible Cultural Heritage.
- c. Providing mentoring, career counseling, and enterprise support to women leaders.
- d. Acting as primary teachers in the NIOS bridge programs.

Answer : c

Correct Answer: C

- **Explanation:** 'Biz Sakhis' are mentors who provide entrepreneurship support, career counseling, and guidance to minority women trainees.

Q5. In the context of infrastructure, PM VIKAS operates in convergence with which other major government program?

- a. Pradhan Mantri Awas Yojana (PMAY)
- b. Pradhan Mantri Jan Vikas Karyakram (PMJVK)
- c. Atal Mission for Rejuvenation and Urban Transformation (AMRUT)
- d. PM-Gati Shakti

Answer : b

Correct Answer: B

- **Explanation:** PM VIKAS utilizes the community assets and infrastructure created under the **Pradhan Mantri Jan Vikas Karyakram (PMJVK)**.
