Q1). The architectural features of Áspero, such as large mounds and circular plazas, primarily signify:

- A nomadic lifestyle with no permanent settlements
- A lack of social stratification and central authority.
- A highly organized society with advanced skills in architecture.
- Influence from European medieval castle designs.

Answer : c

#### Correct Answer: C

- **Solution:** The presence of large mounds and circular plazas indicates that the ancient society was highly organized and skilled in architecture.

Q2) In the context of ancient trade, Áspero's location allowed it to act as a bridge between:

- The Atlantic and Indian Oceans.
- The coastal, mountain, and jungle regions of Peru
- Ancient Egypt and the Indus Valley.
- North America and the Caribbean islands.

Answer : b

#### Correct Answer: B

**Solution:** Áspero's strategic coastal position on the Supe River enabled it to exchange maritime resources for inland products, linking the **Pacific coast, Andean mountains**, and the **Amazonian jungle**.

**Q3. Consider the following pairs:**

**Landmark/Feature — River**

- Hundru Falls — Subarnarekha
- Jamshedpur — Kharkai & Subarnarekha Confluence
