The Sex Offenders Registry Contains the Name, address, place of employment, photo and physical description of the former Sex offender in the Country.

The Sex offenders Registry can be accessed by the public and they can be informed of the Sexual offenders in their locality

In this regard the Countries where this Sex offender register is Implemented the offenders find it difficult to find housing and a respectfull employment. Moreover there have been no reduction in the rate of Sexual crimes in the Countries where this Sex offender register is in Practice.

In this connection India has Prevention of children from Sexual offence (POCSO) Act to protect the minors from Sexual harassment and Pornography. However the rate of Sexual crime has not decreased with the existing laws

The Sex offenders Register can help the public to be beware of former offenders. But the rights of the offenders should be protected in order to enable them to reform and to live a dignified life after prison.
