India's middle path

→ ① promoting emerging technologies and learning from developed nations
Ex: learn from USA, Missile tech from France

→ ② looking forward to

Pass a parliamentary bill on Artificial Intelligence Regulations Bill

→ ③ using AI in present apps and portals:

ex: fingerprints and iris scan for jailed persons using AI

→ ④ digital protection bill to make the data confidential and add up with legal tendency

As Artificial Intelligence is going to be the future of fourth industrial revolution and at the same time a battle field for the nations it is crucial to maintain middle path.
