

12 Tangible outcomes from CBD are a long time away. Do you agree comment.

The COP, 15 of the Convention at Biodiversity adopted the Kunming-Montreal declaration to conserve the lunch oceans of the world. The summit has a long road ahead to meet the outcomes.

The declaration

The summit adopted at 30 by 30 strategy to conserve the 30% world's oceans and land by 2030. The world had paid deeply on biodiversity loss due to evil quartet

Funding mechanism

The COP, 15 of the CBD committed as a first step to provide \$25 billion by 2025 and \$30 billion by 2030.

The fund will be managed under previous
Global environment facility.

Inadequate results Though the ~~the~~ Global
environment fund was conceptualised
in 1992 it couldn't reverse the bio-
diversity loss. Species such as the Western
Black Rhino, Yangtze river dolphin ~~or~~
have gone extinct in recent decades.

Also, as per the living planet report
69% of protected species populations
saw a decline. The commitments made
at the COP must be translated back
at their domestic ~~at~~ legislations to
fully conserve the biodiversity.

The outcomes in order to achieve
sustainable strict actions and equitable
commitments as India had reservation
on pesticide use. Sustained implementation
can help achieve SDG-13 - climate action (8.10)
