① The existence of critical situation in Ladakh has to be handled effectively by the central Government. Do you agree with this view? Comment

↳ A Recently the controversy stating that India has lost access to 26 of 65 patrolling points along the line of Actual control (LAC).
As India's situation along its disputed border with China in Ladakh appears to be far more serious than the government is letting on.

↳ Government Need to re-strategise its Border Policy

① ↳ India is not having a National security strategy or a National defence strategy guidance document.

② ↳ Compared to line of control (LOC), the line of Actual control (LAC) has multiple agencies and forces working without any unit of command.

③ ↳ The responsibility for Border security is with Indo Tibetan Border Police (ITBP) which is under Home Ministry

④ ↳ Army Patrols is under ministry of Defence

⑤ ↳ Special Frontier Force units deployed at line of Actual control which is under cabinet Secretariat.

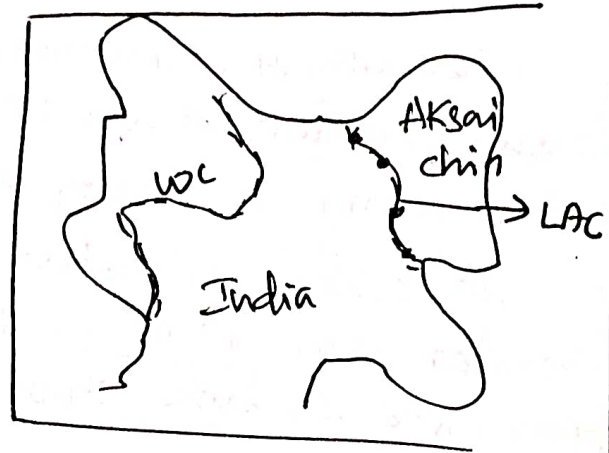

UPSC

Answer Questions in NOT MORE THAN the Word Limit specified for each in the Parenthesis.
Content of the Question is more important than length.
(Specimen Answer Booklet - For Practice Purpose Only)

↳ we need to have Better ~~quality~~ clarity on the operational and administrative aspects of LAE.

↳ Need of the Hour

↳ The root of the Problem is Chinese intentions with regard to the Line of Actual Control,

↳ we must raise the level of talks including the summit level

↳ Way forward

↳ we need to have ~~be~~
↳ we must ~~keep~~ exploring those opportunities rather than always thinking of confrontation.

↳ As the superintendent of police in leh would have very little experience or exposure to the Border Patrols and Patrol points

↳ The Government should effectively handle the critical situation in Ladakh.
