

will the alleged extra-judicial kill... .. Justify your stand

India's external intelligence agency has been accused by many countries of extra-judicial killings which are yet to be proved. India's soft power diplomacy's outreach can be under scanner.

Extra-judicial killings

The allegations surfaced when the 200 - Khalistani leader was shot dead by gunmen in Canada. Still many leaders of that organisations accuse India's role in the killings.

Countries involved

USA, Canada, Pakistan, UK, Australia have acknowledged the role of India in taking out anti-Indian

forces on the foreign road.

Yet, US, UK, Australia can not stem on their approach as these countries have good trade relations with ~~US~~ India.

Effect on Soft diplomacy

India ~~is~~ is always seen as a peace loving state and at the same time, the sovereignty rights cannot be given up.

Using the mechanisms of official personnel in conducting dialogues Track 2 and 3 diplomacy can iron out issues.

The killing of which India is accused of not yet proven. India's soft diplomacy remains to be our benchmark.
