The European Union (EU) had recently slapped antitrust fine on google. Discuss why and what does it imply for India.

Reason for Imposing Fine

The tech giant has contracted with hardware manufacturers to put its search in the face of the users and thus undermining the competition.

NEED TO FOLLOW European Commission:

1) Political Influence on broadcasting
Specific Information

2) Difficult to separate fact news from

correct one

3) No Support for Genuine Journalism

4) Draconian Section 66A on free Speech

5) Reduction in Anti-Competitive
practices

6) Availability of More choice to users

7) To boost Innovation and Creativity

In order to achieve this targets India is in a position to follow European Commission's move.

Learnings for India:

1) Securing data and parity on Internet

Europeans are sensitive about the parity and data on Internet. we should
