

FS-3 - Internal security.

3. Security aspects of the country can be strengthened by paying special attention to development of border villages.

Discuss

Security perspective - special focus on border villages is necessary. Ministry of Home Affairs - highlighted that for a secure permanent safe border - patriotic citizens must be promoted in border areas.

Vibrant ^{Border} village program

Scheme. was introduced in 2022 budget and focus on development & communication facilities in border villages.

Scheme - focus to address → Border villages with less population, connectivity & infrastructure

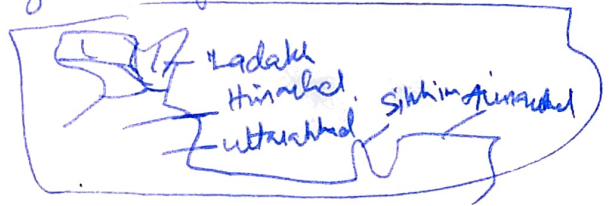

currently Ministry of Home Affairs - proposed to reform existing scheme into new scheme

Existing Scheme
Presently → Border development program focus on development in all border areas

Recent proposal

vibrant ^{border} village program - proposes to cover areas of infrastructure, housing, road connectivity, village setup, economic opportunities etc. in areas (villages) → of china's border.

ways to promote
tourism

Way forward

Border separates peoples who share similar ethnic & cultural values. It is the responsibility of state to promote patriotism in the citizen. in border areas, in economic security point of view and also to provide basic facilities from economic social point of view.
