

12 Stringent action has to be taken at global level against
3 terror groups targeting civilians. Discuss

The Global Terrorism Index reports that Sahel region in Africa is the global epicentre of terrorism. Index is also displaying the peace of terror. Recently the numbers of hybrid militants and underground members are on the rise.

Actions needed to be taken

Counter terrorism requires international cooperation and recognition of terrorists. China blocked our five attempts to name terrorists in the 1267 Sanctions Committee shows the intent of countries in countering terrorism.

* India's initiative at the United Nations such as the CCIT - convention of countering the International Terrorism needs to be given life and necessary statutes have to be laid out.

Adopting the strategies of the United Nations Global counter terrorism strategy such as the conditions necessary to counter the spread of terrorism.

Sharpening the working of Financial Action task force on terror financing. Recently Pakistan was removed from grey list.

Future India has been always a supporter of peace and countered terrorism, Drafting a global consensus is ~~growth~~ with throwing UN security council candidature and G-20 presidency. (8:00)
