

Anti-terrorism law do not necessarily deter terror crimes but do lend themselves to gross misuse. Discuss the above statement in the light of unlawful Activities (Prevention) Act [UAPA]

Unlawful Activities (Prevention) Acts objective is to make provisions to deal with activities directed against Integrity and Sovereignty of India. On the contrary it is used as a tool to silence the voice of the people against the government.

The Act also provides no bail to the persons ~~who~~ who are detained under this act. This Act thus places a high level of power in state agencies who can misuse the provisions of the Act.

REASON FOR MISUSE OF UAPA

→ The act has vaguely defined the unlawful activities like disaffection against India

→ Membership of unlawful organization is defined broadly. Such as possessing

books of banned organization and
met members of any banned organization.

IMPACT ON INDIVIDUALS:

The total number of cases pending
in the Indian Courts is high and this
decreases the probability of Speedy trial
for the persons who were detained under
this act.

In this regard, the act should be
reformed by removing the activities
which has already covered under other
acts and defining unlawful acts and
membership. The government should
also ensure that Speedy trial is given
for UAPA cases.
