7) It empowers the union government to recall a vehicle if it may cause any damage to the environment, driver or any road users.

8) It mandates online Service providers like ola, uber to comply with Information Technology Act (IT), 2000. And it defines them as Aggregator.

9) It Increases the Compensation of death

→ for Hit & Run - Rs. 2 lakh

With Increased penalties and protection of Samaritans the number of deaths in road accident will reduce drastically. In addition to this the bill may also include punishment like Community Services to the offenders. Since the people with money can ~~easily~~ easily get away with the committed crime.
